Mr. G.M. West,

E s c a n a b a, M i c h.

Dear Sir:-

Your telegraph communication of this AM is received, bearing the sad news of the death of Mrs. Nellie West. Edith and I both beg to extend to yourself and family our deepest sympathy in your bereavement.

I await your letter which will probably contain instructions regarding arrangements here, otherwise I will follow out directions as given by Mr. Frank Randall when recently with us.

Yours very truly,

*G. F. Wheeler*
